# LETTERS

To the Editor:

Take note that this is signed. After I have lost everything there is to lose, I no longer have to worry about what people think about me. I am going to speak my mind, and I don't care if people like me or not.

The purpose of this letter is to inform our beloved student body about an injustice that has been done to me. Last spring I signed up for the Rally Committee. I never heard anything further about it till the beginning of this year. In other words, I was indirectly told, "Buzz Off." I did a little investigating and from several reliable sources I found out a few things. At first I thought, "Well, the competition was too tough." As I learned later, there are no senior boys that were appointed to the committee. I'm a senior boy! This didn't really anger me till I found out that there are no boys on it who aren't on a football team! I don't play football.

I thought for awhile that maybe our Rally Commissioner thought I would be crummy. Well, as I'm sure my counselor would tell you, I'm one of a few boys who ever shows up with some ideas for our own class rally. Suddenly, I remembered that our beloved Rally Commissioner didn't interview me or even ask me if I had any ideas for this year's rallies. This frosted the cake. I was angered enough to write this. I think our rallies show this poor attitude. The rallies and this attitude both stink!!!

# SUS SCROFA found in lunch service san

Oakdale Hi has food service back on campus, and so far the reports from kids has been favorable.

One Arcadet reporter actually found ham (Sus scrofa) and beef (Bos taurus) in a hot sandwich, along with cheese, mayonnaise and other assorted goodies.

OHS Student Representative Garth Hewitt told members of the Board of Trustees at the September meeting that food prices were "surprisingly low" for the quality of food being served here.

Hewitt warned, however, that it is an established pattern with food service businesses to start off with a "bang" but then things start going down hill.

"We plan to stay on top of this situation," Hewitt said. "If these people start cutting quality, we will raise a howl."

# ORACLE DEDICATION

For the first time in recent memory, the Oracle dedication will not be the exclusive business of the year-book class. At last week's Senior class meeting members of the class of '75 were asked to nominate possible dedicees. The top three nominations have been sent on to a Senior Editorial Board made up of 14 students, including student body and class officers, and Oracle

and Arcadet editors. On the dedication Committee are Toni Grgich, S.B. president; Tony Albertoni, S.B. v.p.; Mike House, Sr. class president; Julie Looper, Willie Smith, Nancy Holloway, Kathy Huhn, and Dan Langhoff, Oracle; Randy Cowger, Bart Barringer, Louis Miranda, Judy Valk, and Paula Bloodgood, Arcadet; and Julie Nanis, Communications I.

## Magazines Anyone?

Juniors will be conducting magazine sales from Oct. 3 through the 13th.

The class will be aiming to break the record of \$3-263.45 set in 19-70-71. There will be various prizes given away. For every three subscriptions sold (up to 12) students will receive a choice of posters. After 12 sales the bonus awards will be given away.

And during the sales campaign, names of Juniors will be drawn out of a hat. If the person whose name is drawn has sold two subscriptions, he or she will get a sound-activated light.

Junior magazine sales is a long-standing OHS tradition.

**PUBLIC NOTICE:**  
Paul McCartney will not be on campus this week.

the class of '75 has gained nine boys and seven girls; '76: +14 boys and +7 girls; '77: same number of boys and 10 less girls.

## Body Count, 1975

An average nine percent of OHS's student body is absent every day, and more girls than boys are out. The student body numbers 1314 kids, and every day sees about 50 boys and 70 girls somewhere other than in school. One reason more girls than boys are out may be that the girls outnumber the boys 673 to 641.

The class-by-class stats break down this way:

BOYS: 148 seniors; 149 juniors; 151 sophs; and 193 freshmen.

GIRLS: 145 seniors; 141 juniors; 184 sophs; and 203 freshmen.

Thus, there are more freshmen girls than any other species of OHS life form.

## My Turn Aide Band

By Tony Albertoni  
 S.B. V.P.

Who faithfully practices almost two hours every day to prepare for a successful halftime show? And who represents Oakdale High in the largest capacity?

Right! The Oakdale Mustang Marching Band!!!

It is traditional for Oakdale High's Band to put on the colorful show for halftime at the home football games. In year's past, they have put on very good shows, but this year, under the direction of Mr. Dahlin, is expected to be the greatest year ever. One of the many new ideas is to make band two periods, receiving credit for both music and P.E.

One of the Band's biggest projects this year will be the drive for new uniforms. The old uniforms are beginning to show much wear. A look into the cost of the new uniforms showed that it will require the best efforts of everyone--it will total a whopping \$15,000.00 ! The Band will appreciate the support of the Student Body.

## Bod factory is ready

Three years ago, O.H.S. bought a set of "obstacles", exercising bars with a "twist" to them. Construction was not started on the course until last spring.

The coaching staff would like to add some parrallel bars to go in the center of the course, but, as we all know, they're short of funds. The sand bottom has to be fixed, also, so that the sand is level and won't run out from around the course.

Mr. Clipper says--"It is well designed, and it will add tremendously to upper body strength." Mr. Walker commented that "It builds good upper body strength, and if a person worked out a circuit on it, the exercise would help him tremendously."
