DEMAND
for fleas GREAT

On Oct. 5 the Oakdale High School Band held a "flea market" at Wood Park. From 9 a.m. to 5 p.m., used articles donated by Band members were sold. Proceeds went to the fund for the new uniforms. They made a total of \$412.35 in the nine hours. This money will pay for approximately three band uniforms. It's not much in itself, but it's a start. The Band is sponsoring a number of projects to raise the \$15,000 they need for new uniforms. So far, other projects have included an egg sale, where Band members went from house to house selling eggs. By the way, if you missed the "flea market" Oct. 5, Band members will be selling the rest of the stuff Oct. 13 at St. Mary's Catholic Church.

CLUB NEWS

Skiers 'Pole' Officers

The Ski Club is planning to take three trips this year. They are planning on going to Dodge Ridge, because it's the cheapest area for Oakdale groups. There are about 65 members this year.

The Ski Club's President is Sharon Clipper. Cindi Garter is the Vice President, Rita Corrigan is the Treasurer, and Melinda Lynch is the Sergeant-At-Arms.

"Stalemate" in Chess Club Attendance

Is the Chess Club washed up? This question and others, of major concern to us all, was put to Randy Cowger--a vallant, if lonely, member of this fine organization.

ARCADET: "When does the Chess Club meet?"

RANDY: "Well, we don't really have a set meeting time, but we do meet about every other month!"

ARCADET: "Where do you meet?"

RANDY: "Room 11."

ARCADET: "How many members do you have in the club now?"

RANDY: "Right now?"

ARCADET: "Yes."

RANDY: "None."

ARCADET: "How does one get to be a member of your exclusive club?"

RANDY: "We call a meeting and you apply for membership through our President."

ARCADET: "Have you prepared a statement for the press?"

RANDY: "Yes. The Chess Club is going downhill fast."

ARCADET: "Thanks a lot, Randy."

Football Round-Up

Manteca: Next Victim?

The Oakdale High School Mustangs will travel to Manteca Friday for a crucial V.O.L. game.

This will be the 52nd meeting between the two schools dating back to 1923. Manteca holds the series edge with 25 wins to the Mustangs 23.

Three games ended in ties. The Mustangs won last year's game 7-0, and in 1962 14-12.

Manteca figures to be tough this year, but Oakdale should be favored on the strength of the fact the Mustangs beat Tracy while Manteca lost to the same team.

Colts sniff win

The Oakdale Colts will meet the Manteca Buffs this Friday night in the Manteca High School Stadium. Manteca has always been a tough game for Oakdale, but the Colts seem to have gotten it all together and are looking forward to meeting the Buffs. The game starts at 5:45.

Probable starters include Mike Clipper, QB; Robert Goff, FB; Luke Vejar, HB; and Robert Young, who was switched from center, will be playing tight end.

New club NO DISCRIMINATION HERE

 Freshman Karen Swank was elected president-vice president-treasurer-secretary-sargeant-at-arms of the J-Club. The "J" in the new campus club stands for "journalism", and the club is open to all students interested in Oracle, Arcadet and other student publications.

Against Override

To the Editor:

Well, here is another letter in a long line of many. I was advised against writing this letter in fear that my teachers would turn against me. My letter today is about the tax override initiative.

Ever since the first day of school all I heard from teachers, and even our student body president, was to convince your parents to vote for the tax override. They said it will give the district more money. Well, stupid people, do you think that the money is going to appear from nowhere? I hate to inform you this but it isn't. It's going to come out of our parents' pockets in the form of more taxes. Doesn't this poor district realize that there is plenty of financial troubles in our homes? It would be more trouble if they slap our parents' thin pocket books with more unnecessary taxes.

Now, let me tell you about the conspiracy being formed by the teachers. I've had the

chance lately to read several memos from Mr. Scherer to all faculty. He and the teachers have formed a union to make sure the tax override is passed. They have even gone to such lengths as to already count on the extra money. Mr. Scherer, in his memos, says: "... the tax override will provide money for this." This faculty union is

now using money (more than \$600) for publicity to pass the tax override.

It's not too long till "D" Day (as Mr. Scherer calls it), the day your parents and mine go to the polls to vote Yes or No on the tax override. For heavens sake, convince them to vote NO.

"Culture" comes to AS

An art botique will open on campus next week. It will be located in mid-campus under the covered area where the old food service trailer was located last year.

Small art objects, candy, jewelry, pottery, and

school supplies such as pencils and pens, will be on sale. Business hours will be from 10 to 1, according to the Commercial Art Class.

The Botique will also be the new spot to pick up your Arcadet.

YOU EITHER HAVE IT OR YOU DON'T-- spirit, that is...and the kids in this picture have it because instead of going home early for lunch, they went out to the stadium for an outdoor sunshine rally. The ARCADET salutes all of you who take the time-- and lung power--to cheer on our athletic teams....
