

# SONORA FALLS, 29-6

Luis Miranda, Arcadet editor-reporter who has been known to put on a football uniform and run through and around people, smacked over for three touchdowns Friday night to lead the Mustangs to a 29-6 V.O.L. win over arch-rival

Sonora. It was the Mustang's 36th win in the ancient series Sonora has won 13; five games have ended in ties.

Our Sophomores also won their game. The score: Oakdale --20; cold, inept Sonora--6.

Judy Valk is little Dorothy in the OHS production of OZ

## OZ UP

The all-school play "The Wizard of Oz" will be performed Friday and Saturday nights at the Oakdale Union Elementary School Auditorium. The curtain rises at 8:00 p.m. Admission will cost one dollar for adults and 75 cents for children and students.

The story centers about the adventures of Dorothy Gale (portrayed by Judy Valk), a Kansas girl, on her journey through the Land of Oz. A big thunder storm blows Dorothy's house over the rainbow, to the Munchkin Land. She meets a Scarecrow (Tony Albertoni), a Tin-Man (Cacha Peabody), and a Cowardly Lion (Brad Evans) along the way. Many dangers confront them on their way to the Emerald City.

Director Yvonne Allen reports great success in rehearsals, and urges all to come and witness the performances. In her opinion, the OHS cast is as entertaining as the original movie cast. The only way to judge their ability will be to actually witness the play.

**"WIN-A-DATE"  
DATE NUMBER  
ONE**

Here is the first of four features on the Oracle and Arcadet "Win-A-Date" personalities. We'll start with Annette Sharp.

Annette is a 5'7" Senior with green eyes and blonde hair. She likes to travel, listen to music, ride bikes, ride horses, and do most anything outdoors. Her favorite food is Mexican food and her favorite song is "Stairway to Heaven" by Led Zepp-

**SENIOR PERSONALITY**

This week's Senior Personality is Bert Davis. He was born July 31, 1957, in Fresno, and has lived in Oakdale 11 years.

Bert's hobbies are "goofing off" and clowning on the R.C.A. (Rodeo Cowboy Association) circuit. He's proud of the fact that he is the youngest bullfighter in the R.C.A. Bert also likes trave-

ling and participating in all types of sports.

His favorite foods include steak, pizza, and pumpkin pie.

When asked what his outlook on people was, he replied "I like people for what they are, and I like all kinds of people. If a person is nice, and nice to me, I like him."

lin. Annette is excited about being chosen as a "Win-A-Date" date and is looking forward to the event.

## Artists do well

The Campus Boutique has been doing really well with their sales of candy, gum, and artwork. This boutique is being run by Al Jericoff's third and fourth period Commercial Arts classes. They are now making wooden and patchwork Christmas ornaments, which will be for sale after Thanksgiving.

The Campus Boutique will be open all year because of the more convenient location. The student body has supported the artists very well, and is encouraged to continue their pursuit of culture (and food.)

## CLUB NOTES-

### Chessmen

In a recent election, the Chess Club elected Jeff Coleman as their President. Anne Tyson was named Vice-President, and Chris Mondo was elected Secretary. A "Board of Admission" was appointed by President Coleman, and will consist of Randy Cowger, Anne Tyson, and Fred Peterson. Any potential board members who wish to join the organization should contact one of these appointees--your admittance will be pondered. As of this writing, there are 15 avid black-and-whites.

### Aztecas

The Azteca club meets every Wednesday in room 20.

At the present time there are 30 members.

# Yes, MORE "facts"

40. "Lucky" is not Lucky Young's real first name.
41. Edward Cruse and Hiram Van-Norman are not related.
42. Dennis Butler, Vernon Butler, Saeryl Butler and Greg Calistro all have the same last name, except for Calistro.
43. Greatest athlete ever to attend OHS was G. W. Wingo, according to his son, Tim.
44. Annette Wright got a haircut!
45. Bicycle riding is not permitted in the library.
46. Busdriver Garlande Phipps was once "Oracle Queen."
47. The phone does not work in room 21
48. Donna Taylor and Donna Murray are not related, despite the similarities in their names.
49. Terre Armstrong's initials are "T.A."
50. Oakdale Hi's football field is not scheduled for artificial turf.

In order to join the club either your mother or your father must be of Mexican descent. The club was formed last year.

# "S" IS for "Service"

On many an occasion I am sure that you have heard in the morning bulletin, "Meetings today include "S" Club in Rm. 13 at noon,..." A few of you may have even had your curiosities tickled enough to roar, "What the \_\_\_ is "S" club?" No, the "S" doesn't stand for streaker or sex or super or sonic--it stands for service.

The "S" Club is a service club for girls sponsored by The Soroptomists. The "S" Club's purpose is to help out in the school and community whenever possible.

The "S" Club has helped with the Soroptomist's Carrousel in Riverbank, the spring formal dance, the March of Dimes, and campaigning for "Proposition D".

Each year the "S" Club chooses a major project for which to spend some time. Two prospective projects this year are buying shrubs for the new park in Waterford and/or fixing up our school (i.e. Student Center). Other miscellaneous projects for this year are Thanksgiving and Christmas baskets for charity, Christmas formal dance, and Spring Fashion Show.

"S" Club is open to any girl that carries a "B" average, is a sophomore, junior or senior, and is willing to help. If you are interested, let an "S" Clubber know. Kathy Huhn is the club president.

By the way, we're here to help. Don't hesitate to get in touch with an "S" Clubber if we can be of service to your cause, club or other. —by Kathy Huhn

## Transfer-ees and their impressions

Douglas Lyner is one of the newer kids at Oakdale High. He thinks this school is O.K. The thing he likes most about Oakdale High is the fact that it's an open campus. He's currently a freshman. Doug's originally

from Modesto. He especially enjoys after game dances. Terry Binning is a Sophomore at Oakdale High. She likes having an open campus. She came from Hughson, but is already convinced she likes Oakdale better.

## Pole-sitters, take note

A memorial flag pole which was donated by the class of '72 is being built on the north end of the football field. According to Mr. Scherer it will reach as high as 40 feet and consist of grass, shrubs, and a wall, part way around it. This wall will be used for plaques which will be put up to honor those students.

## What's in a Bulletin?

Ever wanted to know how much it cost to run a Bulletin? This and other questions are revealed in the following interview.

ARCADET: How much does it cost to run the bulletin?

MRS. GREEN: Well, I'd say the cost would be around how much I run off a day which is 90 copies each day and it runs 50 cents a day.

ARCADET: Do you have any real problems?

MRS. GREEN: There are no real problems except like a schedule change or late notices.

ARCADET: Have you prepared a statement for the press?

MRS. GREEN: Well, no not really, except that those kids who don't get the bulletin read or broadcasted in their room should read it and get all the school news.

ARCADET: Thank you.

WHAT WOULD YOU DO  
WITH A ZWIEBACK?

NERA LARSEN--Ride

## BASKETBALL OUTLOOK

### VARSITY

The varsity basketball season is getting under way with two scrimmages this week. Wednesday the Mustangs take on Franklin, and Thursday they play Denair right after school. The starting team this year will consist of Seniors Bart Barringer (center), Tim Armstrong (forward), Tim Riner (forward), and Sam Goedhart (guard). One Junior, Shawn Reeves, will be starting last year's Most Valuable Sophomore and All League standout. This year's team should be the tallest in the league. They will provide a lot of thrills and should carry away the league championship.

Did you realize ...?

Up until 1972 we had all grey buildings on our campus. When the new gym was built they chose to paint it green.

Under the Federal Pep Program, the school was able to acquire two painters but had to supply the paint. The school officials decided to follow the color scheme of the new gym and paint all of the buildings green. They really put those two painters to work.

### SOPHOMORES

The Sophomore basketball team has a fairly balanced team this year, with a outside chance at the V.O.L. title. Coach Greaves speculated that the team to beat will be St. Mary's, with every team except Los Banos having an outside chance.

The Sophs will be playing a one-guard offense with Luke Vejar at the lone point-man. Art Martinez and Fred Peterson, a recent transfer student, will be valuable members of the team, and Murrel Esparza, a Freshman, will also be a great asset. The Coles will face a strong Beyer High School squad in their first test, Nov. 26.

## TO THE EDITOR

### Remember Mr. Johnston's letter? He does...

To the Editor:

Zane's formula was basically sound, but his wisecrack on football and bench warmers deserves rebuttal.

Zane's attack on football players only shows the inadequacy he feels when he looks at himself as a person. Football is not a game for fat lumbering giants whose I.Q. couldn't get them out of kindergarten. Zane's outlook on football comes from his inability to develop a body to match his endless mental powers. Don't mistake me, I'm not cutting down the person who just doesn't like the game, I want the fact to be known that there are boys who go out and play football when their ability is just not there. I admire the bench warming nut-squader who only weighs 145 lbs. going one-on-one with a first stringer out weighing him by 50 lbs. or more. That guy is a real winner. They are trying to become better and they don't let the fact that they are not natural athletes get in the way of them trying to excell in something, whether it be sport, life or living.

Eric Bettencourt

### A thank-you

To the Editor:

On behalf of the Board of Trustees of the Oakdale Joint Union High School District, I would like

to personally thank all of the civic organizations, staff members, students and citizens that made our recent Tax Election a success. The citizens supporting Measure D are to be congratulated.

It is gratifying to know that so many individuals are concerned with providing quality education

to the students in our school district.

A special thank you to your newspaper for the coverage given our key issues.
