

CULINARY CORNER: To stuff, or not to stuff, 'tis the ?

Although there aren't any stuffing mixes known to civilized man that you can make using only products made around Oakdale, Mrs. Reeves has found a recipe that might come close.

½ cup butter, melted
5 med. carrots, grated
2 med. onions, chopped
1½ tbsp. sage

2 tsp. poultry seasoning
salt and pepper to taste
1 dry loaf bread, broken
into small pieces
2 eggs, beaten

Combine butter, carrots and onions; cover. Simmer for 15 min., stirring frequently. Cool. Add seasonings to bread; add eggs and onion mixture. Blend

well. Stuff turkey.
Yeild: Stuffing for 12 to 15 lb. turkey.

Re-admit cards are back!

Remember last year when teachers always had to hassle with re-admit cards? Every period, the familiar scene was the teacher trying to collect the cards, sign them all, and return them to the students before the end of the period. By the end of the day, teachers were pretty disgusted with re-admit cards.

It was pretty annoying to students, too. As a student, you had to get to school earlier than u-

sual in order to get everything taken care of before 1st period (I don't think that Mrs. Taylor liked the line in the Attendance Office each morning, either). Anyways, by the end of the day, most students had usually lost their cards or else the card looked like minced-meat from being carried around all day.

Despite all this, the Arcadet would like to proclaim that the Administration of Oakdale High School will reinstate re-admit

cards as of Monday December 2, 1974.

The reason the Administration has decided to make such a drastic change is because students haven't been responsible for clearing their absences, therefore there have been a lot of truanancies.

With this new system, the procedure will be that if you are absent, you are responsible to report to the Attendance Office for a re-admit card before going to

class. If you do not get your re-admit card before 1st period, you will not receive an excused tardy from 1st period to go get one. The Attendance Office is open at 7:30 each morning, so you have no excuse not to get a re-admit card.

Last year, many students lost their re-admit cards. If this should happen to you this year, you should come in between periods and get another one.

If you forget a note or forget to ask your folks to call the Attendance Office the day after you are

absent, you will receive a pink slip from the Attendance Office. After that, if you don't bring a note or have your folks call school, you will receive a truant. Six truancies will crown you with the title "Habitual Truant" and you will be referred to the County Probation Department.

So, whether you like it or not, re-admit cards will be reinstated on Monday, December 2, 1974. The Arcadet sincerely hopes that the Administration is right in their decision.

LOCKERS -- SECURITY YOUR JOB

In general, there are no locker break-in problems. Usually what happens is a kid gives his combination to someone to get a book out of his locker and the other kid gives it to someone else to get it for him. Then that per-

son gives it to someone else and, before you know it, ten kids have the combination. Someone in this chain breaks in as a joke, and the problems begin.

year many locks were broken, but they are slowly being repaired. The sides of some lockers were torn off, and over-all mayhem has been made. Hopefully, with the additional funds provided by the tax override, better maintenance will be provided for these vestibules. Of course, if the wave of vandalism doesn't cease, no one can be blamed for poor facilities but the student body in general.

What do you have to be Thankful for on Thanksgiving?

MICKY McMAHON- No more football.

VIN BINGHAM- Nothing! My little brother was born on that day.

ROBERT GOFF- A well-earned rest from school.

HIRAM VAN NORMAN- the three or four poor turkeys that gave up their life for me.

JULIE NASH- That we have a

dishwasher.

ALLEN RUSSELL- Oh Wow!

MR. STONE- That my Saint Bernard had 9 pups not 19.

DEBBIE STONESIFER- That I'm alive.

MR. WEICHART- The tax increase.

FRED GATZMAN- Turkey season starts.

Old building's story: "The Slab was my foundation"

Have you ever wondered what the Slab used to be? Well, according to Mr. Bacigalupi, when he went to high school it used to be the boys' locker room and bathroom, to the best of his recollection. Later an auditorium was added on, that was connected to the Band Room. Below the present slab used to be an old furnace room.

The building was built in 1922, and torn down in 1956.

Block "O" back

Boys' Block "O" has been revived! Coach Linhares has consented to be the advisor. The first 1974-75 meeting was held Nov. 20th. Thirty boys attended.

The athletes discussed whether or not to continue the recent tradition of purchasing all athletic blocks. It was tentatively decided to continue the practice for at least another year, as the general athletic fund has been already budgeted.

Tall, talented Mustangs open 1974-75 basketball season tonight

The very promising Oakdale High Mustangs get their first big hoop challenge from a strong team from Beyer High School

returning. There has been a lot of talk about how good Oakdale should be this year—hopefully tonight they can prove to

tonight. This is only Beyer's third year in Varsity basketball, but last year's team was very strong and many Juniors are

everyone that this is no false prediction. The Sophomore game starts at 6:00, and the Varsity takes the floor at 8:00.
